Something is rotten in the state of Denmark.

Neither a borrower nor a lender be; for loan oft loses both itself and friend.

When sorrows come, they come not single spies, but in battalions.

The better part of valor is discretion.

Neither a borrower nor a lender be; for loan oft loses both itself and friend.

Brevity is the soul of wit.

This above all: to thine own self be true.

Neither a borrower nor a lender be; for loan oft loses both itself and friend.

Uneasy lies the head that wears a crown.

All the world's a stage, and all the men and women merely players.

To be or not to be, that is the question.

Something is rotten in the state of Denmark.

Give every man thy ear, but few thy voice.

To be or not to be, that is the question.

What's done cannot be undone.

This above all: to thine own self be true.

The lady doth protest too much, methinks.

What's done cannot be undone.

All that glitters is not gold.

There are more things in heaven and earth, Horatio, than are dreamt of in your philosophy.

To be or not to be, that is the question.

When sorrows come, they come not single spies, but in battalions.

Uneasy lies the head that wears a crown.

What a piece of work is man!

Though this be madness, yet there is method in't.
